

Epol Rider Muesli is a textured muesli feed, formulated with the working sport horse in mind. The Rider Muesli provides sustained energy by combining energy sources, including fibres, fats, and the highest quality cereal grains to ensure a horse's demands can be met at all work intensities.

Suitable for Competition horses in light-medium work.

- **Vit C, Vit E and selenium are included for antioxidant support keeping horses clinically healthy and performing at their best.**
- **Highly palatable to tempt fussy eaters.**
- **Quality protein supports muscle development.**
- **Higher in fat to provide a source of slow release energy for greater stamina.**

Roughage should be provided at 1.5% of bodyweight per day. The amount of Rider Muesli needed will be dependent on each individual but no more than 2.5 kg per meal is recommended.

Available in a 40 kg bag.

Should be stored in a cool, dry area under roof and out of direct sunlight.

This product has a shelf life of 6 months from the date of manufacture.
