

Epol Competition Horse Cubes are uniquely formulated for the performance horse. Quality protein sources are provided to support optimum health and vitality as well as maintaining muscle tone and topline. The Competition Horse Cubes provide a higher level of energy to ensure the demands of the competitive horse are met, allowing for ultimate performance and condition.

Suitable for horses in medium work that need extra energy.

- **Full fortified to provide all the daily essentials as well as assisting with recovery and performance.**
- **Includes a yeast culture (*saccharomyces cerevisiae*) which has been proven to enhance animal performance and aid digestive health.**
- **Provides higher starch levels for instant energy.**
- **Suitable for all types of equestrian disciplines.**

Roughage should be provided at 1.5% of bodyweight per day. The amount of Competition Horse Cubes fed will be dependent on each individual.

Available in a 40 kg bag.

Should be stored in a cool, dry area under roof and out of direct sunlight.

This product has a shelf life of 6 months from the date of manufacture.
