

Epol's Race Muesli is a highly palatable, textured feed formulated with the performance horse in mind. High-quality oats combined with additional cereals deliver readily available energy to meet the requirements of intense work.

Suitable for racing and performance horses in medium-intense work.

- **Added fat to increase energy density and provide additional stamina.**
- **High quality fibre sources ensure the ration is highly digestible and delivers slow release energy as well as support a healthy gut function.**
- **Quality protein sources promote superb muscle tone and function as well as tissue development and repair.**
- **Oats and maize are combined to create a superior energy profile for the performance athlete.**

Roughage should be provided at 1.5% of bodyweight per day. The amount of Race Muesli fed will be dependent on each individual but no more than 2.5 kg per meal is recommended.

Available in a 40 kg bag.

Should be stored in a cool, dry area under roof and out of direct sunlight.

This product has a shelf life of 6 months from the date of manufacture.
