

Epol Rider Pellets/Super Rider Meal cover a variety of needs across all disciplines making it a convenient option especially where large numbers of horses are managed as it helps to simplify feed management.

Suitable for horses needing to gain condition as well as those in light-medium work.

- **Carefully selected grains and fats ensure adequate energy for work.**
- **Fully fortified for optimum nutrition.**
- **Quality proteins to ensure correct amino acid profiles for improved muscle tone.**
- **Includes a yeast culture (*saccharomyces cerevisiae*) which has been proven to enhance animal performance and aid digestive health.**

Roughage should be provided at 1.5% of bodyweight per day. The amount of Rider Pellet/Meal fed will be dependent on each individual but no more than 2.5 kg per meal is recommended.

Available in a 40 kg bag.

Should be stored in a cool, dry area under roof and out of direct sunlight.

This product has a shelf life of 6 months from the date of manufacture.
