

Epol Stud Muesli is a palatable, top quality, nutrient dense all-round mix for pregnant and lactating broodmares, growing foals and young stock, as well as working stallions.

Suitable for “all round” stud applications.

- **Scientific formulation ensures optimum nutritional support.**
- **High quality protein with key essential amino acids to aid in fetal bone, muscle and tissue development.**
- **Adequate energy provided for growth and for sufficient milk production.**
- **Vit E is provided to assist in passive transfer of antibodies to foals via the colostrum, and boost fertility in mares.**

Roughage should be provided at 1.5% of bodyweight per day. The amount of Stud Muesli fed will be dependent on each individual but no more than 2.5 kg per meal is recommended.

Available in a 40 kg bag.

Should be stored in a cool, dry area under roof and out of direct sunlight.

This product has a shelf life of 6 months from the date of manufacture.
