

Epol Lucerne Chaff is a high-quality blend of lucerne and teff. Added oils provide additional slow release energy and help contribute towards skin and coat condition. This product offers a simple solution to adding extra fibre into the diet of the performance horse, in one easy to use product.

Suitable for all types of horses when lucerne is desired.

- **No added vitamins and minerals making it suitable for use in conjunction with other fully fortified products.**
- **Provides additional calories without starch.**
- **Helps to tempt fussy eaters.**
- **Ideal way of adding fibre to the diet.**

Roughage should be provided at 1.5% of bodyweight per day. The amount of Lucerne Chaff fed will be dependent on each individual.

Available in a 20 kg bag.

Should be stored in a cool, dry area under roof and out of direct sunlight.

This product has a shelf life of 12 months from the date of manufacture.
