

Epol Lucerne Cubes are a high protein, roughage supplement which are consistent in composition and can be used to enhance the diets of all classes of horses.

Suitable for all types of horses and ponies needing additional fibre when lucerne is desired.

- **Ideal for stretching available hay in times of hay scarcity or when the quality of available roughage is not desirable.**
- **Can help to reduce wastage compared to baled lucerne.**
- **Only A-grade lucerne used.**
- **No additional vitamins and minerals added making them suitable to use alongside other fully fortified feeds.**

Roughage should be provided at 1.5% of bodyweight per day. The amount of Lucerne Cube fed will be dependent on each individual.

Available in a 40 kg bag.

Should be stored in a cool, dry area under roof and out of direct sunlight.

This product has a shelf life of 12 months from the date of manufacture.
