

Epol Race Speedmax is a superior energy dense ration which has been scientifically formulated to provide equine athletes with the nutrients required to deliver on the high energy demands of rigorous exercise allowing them to consistently perform at their maximum competitive potential.

Suitable for horses needing additional energy support.

- **Highly palatable ensuring horses eat well at home and when away.**
- **Contains a premium blend of quality grains along with a higher level of fat to assist in reducing the risk of starch overload in the hindgut while still providing high levels of energy.**
- **Contains an acid buff and a yeast culture (*saccharomyces cerevisiae*) to aid in overall digestive health.**
- **Highly effective for fuelling and re-fuelling performance horses to ensure top performance over time.**

Roughage should be provided at 1.5% of bodyweight per day. The amount of Race Speedmax fed will be dependent on each individual but no more than 2.5 kg per meal is recommended.

Available in a 40kg and 22.5kg bag.

Should be stored in a cool, dry area under roof and out of direct sunlight.

This product has a shelf life of 6 months from the date of manufacture.
